CALL LAB:-

Word Accent / Word Stress:-

In words of more than one syllable all syllables are not equally stressed. One among them will be more stressed, then the other syllables in the word. Such phenomena is called word accent.

Example:-
1) Im'portant
2) De'cision
3) Tech'nician

The degree of variation with which different syllables in a word are stressed during the

pronunciation is called word accent (or) word stress.

In disyllable words stress is on the first syllable in case of nouns and adjectives. The stress will be on second syllable in case of verbs.

Example:- i) 'Conduct (noun/adjective)

ii) con'duct (verb)

iii) 'Project (noun)

iv) Pro'ject (verb)

v) 'Object (noun)

vi) Ob'ject (verb)

poli'tician

This is called Stress Shift

Within a sentence also all words are not equally stressed i.e., Only content words more stressed and structure words (weak-forms) such as articles, pronoun helping words, conjunctions and prepositions are not stressed and they are uttered very fast without stress.

Example:- Can you show me the way to TARE

ICS LAB :-Giving Directions To a Friend :-

Yafoor :- Hello , this is Yafoor.

Basith :- Hi Yafoor , this is Basith.

Yafoor :- Hi Basith , How are you?

Basith :- I'm fine thank you, do you need any help from my side?

Yafoor :- Yes actually I'm searching for IARE collage.

Basith :- Ohh! , why are you searching for it.

Yafoor :- Actually I'm newly joined in IARE and I don't know the location of it.

Basith :- OK , but you can just Google it.

Yafoor :- Yes but my phone is dead.

Basith :- OK , Definitely I will help you , so it is located in Dundigal , you can just go to Gandimaisamma and from there you can take a auto or public Transport bus they will drop you there . It is behind the MLR collage you can easily find it.

Yafoor :- Thank you really for guiding me , Bye

Basith :- You're most welcome , Have a great day ahead.
